Clean, Safe and Stress-Free into the Advent Season with SORB®XT

The cold season brings special challenges for many businesses.

Vehicles, machinery, and storage areas must function reliably even in frost and wet conditions. With the SORB®XT Mobile-Kit, you're perfectly prepared – whether you need to absorb liquids or clean surfaces.

The Mobile-Kit is also ideal for quick containment or diversion of spilled chemicals. This leaves you with more time for what really matters – and ensures your workday ends on a relaxed note.

Three Good Reasons for the Winter-Kit

1. **Ready to use:** Everything you need in one convenient set – always at hand.
2. **Comfort included:** The **first 30 orders** will receive a warm and cozy SORB®XT blanket – perfect for the cold Advent season. Only while supplies last!
3. **A special treat:** Every order placed until **November 24** comes with a 1 L bottle of mulled wine and a €30 Christmas tree voucher as a thank-you.
